

MISSION STATEMENT AND QUALITY POLICY

THE MISSION

CODAN will be an environmentally conscious manufacturer of clean, safe and simple specialty products for the Infusion Therapy Market to the benefit and satisfaction of both patient and caregiver

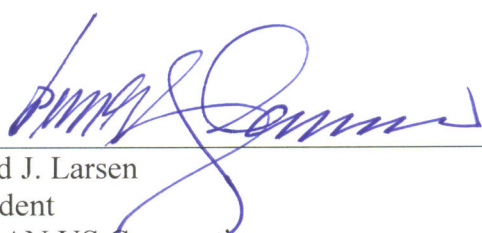

“Infusion Therapy made Clean, Safe and Simple”

THE QUALITY

The vital elements that will enable the CODAN US Corporation to achieve its mission are our relationships with leaders in the medical community, our talented, trained and committed employees, and our sense of responsibility to our customers and to the patients and caregivers whom they serve.

We demonstrate these commitments by:

- Providing products that add value, safety and reliability to patient care
- Providing products of the highest quality that meet or exceed the expectations of our customers
- Operating under a Quality System in accordance with the Quality System Regulation for Medical Devices as promulgated by the U.S. Food and Drug Administration, the Canadian CMDR, the European MDD, ISO and other applicable national and international standards and regulations
- Promoting an open, creative and productive environment for all our employees
